Usher Board # 01

I'd like the memory of me to be happy one. I'd like to leave an afterglow of smiles when life is done. I'd like to leave an echo whispering down the ways, of happy times, laughing times and bright and sunny days. I'd like the tears of those who grieve, to dry before the sun of happy memories that I have when life is done.

Precious Memories

Don't Grieve For Me For Now I'm Free

**Don't grieve for me, for now I'm free
I'm following the path God laid for me.
I took His hand when I heard Him call;
I turned my back and left it all.**

**I could not stay another day,
To laugh, to love, to work or play.
Tasks left undone must stay that way;
I found that place at the close of day.**

**If my parting has left a void,
Then fill it with remembered joy.
A friendship shared a laugh, a kiss;
Ah yes, these things, I too will miss.**

**Be not burdened with times of sorrow
I wish you the sunshine of tomorrow.
My life's been full, I savored much;
Good friends, good times, a loved ones touch.**

**Perhaps my time seems all to brief;
Don't lengthen it now with undue grief.
Lift up your heart and share with me,
God wanted me now, He set me free.**
